ENCLOSURE.

Extract from the c opy of Civil Address presented to Hon. Sri. M. Bhaktavatsalam, Minister for Agriculture, by the President and the Members of the Panja Panchayat and the Malnad Public of Panja State.

Agriculture is accompanied with hardships and misfortunes. The ryots have got many enemies in the jungle beasts like rats, monkeys, rabbits, bisons, boars and wild elephants. There are other pests also. We request that an Agricultural depot may be opened in this centre for supplying seeds, manure, Agricultural implements, gamaxin and rat poison etc. The present high rate of rent for tractors and bull dozers may be reduced to Rs. 5/- per hour. The District Board High School may be turned into a multi-purpose Government High School with agriculture as main craft.

Panja is a malnad village of Sullia Firka in Puttur Taluk (South Kanara District) It is in National Extension Service area. This village together with surrounding villages are cut off from the rest of the Taluk for a period of about 5 to 6 months due to want of bus communications as there are rivers and streams which have not been bridged. The Panchayat can assist the ryots in distributing the Agricultural requirements obtaining from the agricultural depot of the Sullia National Extension Service Block or a godown attached to the National Extension Service Block may be opened at Panja for conducting periodical sales.

2. I do not recommend the reduction of the rate of hire charges on bull dozers to Rs.5/- per hour as the Government is running the tractor operation in a great a loss even with the existing rate.

3. The District Board High School may take up Agriculture as one of the optional subjects with necessary trained teachers to teach the subject and with necessary facilities to cultivate some Agricultural lands attached to the school.

P. 13 above may be perused w.r.t para 3 on p 3 above. A copy of the report at p. 13 above has also been received in E III section and they are sending extracts of it to various sections.

This section is concerned with the request of villagers of Panja that a depot may be opened in their village to supply their needs of agl implements and seeds. The D.A has suggested that either the depot of the Sullia N.E.S. Block or a godown may be established attached to the above depot may be opened at Panja to meet the needs of the petitioners. This point is one for consideration in Pub (R.D.P). This may be transferred to Pub (R.D.P) for consideration.

Sir

NATIONAL EXTENSION SERVICE (S.K) Agriculture - Malnad area - Request for opening an agricultural depot at Panja - Report submitted.

Ref: Govt. Memo No. 11390 Pub. (R.D.P) V/55-1 dt. 16.9.55 and 28.10.1955.

The request of the Panja Panchayat for opening an agricultural depot at Panja, is reasonable in that it is a central place for the villagers of Kalmadka, Pambethady, Kuthkunja, Subramanya, Iyathoklu, Kenya and Yennoor, in Puttur Taluk. These villages are completely cut off from other areas for about six months in a year, on account of rivers all round. The ryots of the above villages will not be able to get their requirements of manure etc. during rainy season and the opening of a agricultural depot at Panja is quite essential. In the circumstances, I recommend that the opening of an additional sub depot at Panja in Sullia Community Development Block to be under the direct responsibility of the Agricultural Extension Officer Sullia may be permitted. Necessary recurring and non recurring charges may alsobe sanctioned at the rates permitted in G.O.Ms. No.3039 Pub. (R.D.P) Department dt. 30.9.1955.

Yours faithfully,
